Continue straight along the N2 until you reach the R43 Hermanus turn off from the N2 (just after Houw Hoek Pass), proceed through Hermanus, following the signs to Stanford/Gansbaai, as you approach the town of Stanford there is a four way intersection, turn left (onto the R326) past the Birkenhead Brewery and proceed for 7km, at which point you will see our turn off left, follow our signs on the gravel road (same turning as the Klein Rivier Cheese Factory). We are the farm after White Water Lodge.

From Caledon

If you wish to bypass Hermanus and travel through Caledon to Blue Gum then proceed along the N2 to Caledon. Go through the town of Caledon following the signs that say Bredasdorp/Napier (R316). Approximately 29km outside of Caledon in the direction of Bredasdorp/Napier you will intersect the R326 route from the N2/Riviersonderend (as detailed in the second paragraph above).
